Vacancy: Welder (Robotic) - MIG

Plowman Brothers Ltd are a family-run business just outside of York in Sutton on the Forest. We specialize in the manufacture of livestock transportation equipment, water treatment and premium agricultural products. We also undertake bespoke fabrication projects across a wide range of sectors.

Our facility houses modern equipment including, CNC laser and plasma profilers, press brake, lathe and milling equipment. As well as robotic and pulse synergic welders and a large commercial paint booth. We work with aluminium, plastics, mild, high strength, wear resistant and stainless steels on a daily basis to fabricate components for the products and services we offer. To find out more about Plowman Brothers Ltd, please visit our Facebook page or www.plowmanbrothers.com

We are looking for an experienced Robot Welding Cell Operator with welding/ fabrication skills to join our workshop team. Machine specific training will be provided on a modern, custom built OTC welding cell enclosure.

Range of duties:

(to be determined based on skill set)

- Programming robotic welding cell
- Welding with mild/stainless/aluminium of various gauges
- Production/ modification jigs and existing programmes
- Working from detailed engineering drawings
- Pre and post welding operations
- Machine loading and unloading

Experience:

- Welding with the following materials; mild steel, stainless steel, aluminium using MIG
- Good knowledge of fabrication techniques
- Using hand and power tools
- The ability to interpret engineering drawings
- Working unsupervised and achieving a high standard of workmanship
- Creating and testing robot programmes

Personal Qualities:

Enthusiastic, self-motivated, organised with and strong work ethic, punctual, reliable and takes pride in their work.

Payment/Benefits:

This is a full time, permanent position, Monday-Friday 7.30am – 4.30pm with additional hours available. Excellent rates of pay offered for the right candidate.

28 days holiday per year, auto enrolment to pension scheme after 3 months, weekly pay
