### **Vacancy: Engineering Workshop Laborer**

Plowman Brothers Ltd is a family-run business just outside of York in Sutton on the Forest. We specialize in the manufacture of Livestock Transportation equipment, water treatment and premium agricultural products. We also undertake bespoke fabrication projects across a wide range of sectors.

Our facility houses modern equipment including, CNC Laser & Plasma profilers, Press brake, Lathe and Milling equipment. As well as robotic & pulse synergic welders and a large commercial paint booth. We work with aluminium, Plastics, mild, high strength, wear resistant and stainless steels on a daily basis to fabricate components for the products and services we offer. To find out more about Plowman Brothers Ltd, please visit our Facebook page or [www.plowmanbrothers.com](http://www.plowmanbrothers.com)

### **Description of role:**

We are looking for enthusiastic individuals who have a keen interest in engineering, no qualifications required, just a good work ethic and a desire to learn new things.

The work involves general assembly work, fettling, assisting fabricators, paint preparation and finishing after the painting process – installing components and sealing panels. There is an excellent opportunity to progress within the company and to learn valuable skills.

### **Payment/Benefits:**

This is a full time, permanent position, Monday-Friday 7.30am – 4.30pm (40 hours) with additional hours available. Pay dependant on experience, ranging £6.90-10.00 per hour  
28 days holiday per year, auto enrolment to pension scheme after 3 months, Weekly pay

To apply, please send your covering letter (this could be a brief description of your interests in engineering) and/ or CV to:

Post: FAO Jack Plowman, Address as above / Email: [info@plowmanbrothers.com](mailto:info@plowmanbrothers.com)
